# Acquisition of Dubai Bank

## Highlights

- As per the decree issued by the Ruler of Dubai on 11 October 2011, Emirates NBD acquired a 100% stake in Dubai Bank
- The consideration was AED 10 which equates to the fair value of net assets acquired
- As on the date of acquisition, there was a zero NPL and P&L impact by virtue of the transaction structure and the fair value process of assets and liabilities upon initial consolidation
- The fair value of the assets and liabilities was determined by an external expert
- Strategy and integration plan for Dubai Bank in process of being finalised

## Financial Impact Upon Acquisition (AED million)

\* In connection with the transaction, the Group has received a deposit from the UAE Ministry of Finance amounting to AED 2.8 billion at a discount comparable to market rates. This liability was recognised at fair value resulting in a fair value gain of AED 543 million and will be amortised over the term of the deposit (8 years)

\*\* In connection with the transaction, the Government of Dubai has provided a guarantee for any losses at the date of acquisition and any future losses relating to the assets and liabilities on the date of acquisition for the next 7 years; an amount of AED 768 million represents the fair value of the Guarantee as at the date of acquisition

# Divisional Performance

## Wholesale Banking

- **Key focus** during Q4 2011 was on balance sheet optimisation, continued proactive management of credit quality, building non-risk based and fee generating businesses and selective growth in new underwriting
- **Revenue** improved 14% y-o-y and due to 15% increase in net interest income and 10% improvement in fee income
- **Revenue** declined 4% q-o-q due to decline in net interest income resulting from lower loan spreads
- **Loans** rose by 2% from end-2010 evidencing a pickup in new underwriting during the period
- **Deposits** declined 26% from end-2010 due to balance sheet management initiatives and increased deposit competition in the sector

<p><b>Concept and objectives</b></p>	<ul style="list-style-type: none"> <li>▪ Tanfeeth was established as the GCC's 1<sup>st</sup> shared services company to deliver most cost efficient operations at significantly improved service levels through application of lean manufacturing methodologies to run efficient operations</li> <li>▪ Strategic objectives:             <ul style="list-style-type: none"> <li>○ Enhance competitiveness and value creation for our clients and Emirates NBD through efficient and consistent service delivery</li> <li>○ Continuously transfer best in class operations knowledge and infrastructure from world shared services industry leaders to the GCC</li> <li>○ Develop Emirati talent platform that could be a role-model for the rest of the UAE</li> </ul> </li> </ul>
<p><b>Current State</b></p>	<ul style="list-style-type: none"> <li>▪ Tanfeeth established as 100% owned subsidiary of Emirates NBD</li> <li>▪ Headcount of 731 as at 31 December 2011</li> <li>▪ Current operational scope includes Retail Credit Centre (RCC) and Call Center processes for Emirates NBD</li> <li>▪ 2011 Accomplishments:             <ul style="list-style-type: none"> <li>○ Designed and rolled out Tanfeeth HR engine, including Shared Services specific policies and processes</li> <li>○ Onboarded and transformed Emirates NBD's RCC unit by implementing the lean based Tanfeeth Operating Model which significantly reduced turnaround time and improved efficiency</li> <li>○ Onboarded Emirates NBD call center and optimised operations</li> <li>○ Implemented an empowerment initiative to transform the call center into a virtual branch</li> </ul> </li> </ul>
<p><b>IBM Partnership</b></p>	<ul style="list-style-type: none"> <li>▪ Strategic agreement formed with IBM over a period of 7 years</li> <li>▪ Agreement gives Tanfeeth exclusivity in the UAE paired with a joint go-to-market strategy and leveraging IBM brand</li> <li>▪ IBM will support and provide managed service in Tanfeeth</li> <li>▪ Tanfeeth to have access to IBM's "Top Performers" to supplement Tanfeeth's existing workforce, as well as proprietary tools to support service delivery (Command Center, Advise HR and Time Volume Capture (TVC))</li> <li>▪ IBM to provide process and soft skills training to Tanfeeth employees including the leadership team</li> </ul>

### Focus for 2012

- Further improve efficiency and customer satisfaction for Emirates NBD
- Migrating and transforming the next phase of Emirates NBD processes :
  - Operations Processing Centre (OPC)
  - HR Services
  - Finance & Accounting services
  - Emirates Islamic Bank services
  - Network International Card Processing
  - Collections
- Execute go-to-market strategy to onboard external clients

### Financial Metrics

- Tanfeeth aims to be a profitable entity by end 2013, beginning of 2014
  - Thereon a growth rate of 15% in income targeted year on year
  - This is over and above the cost efficiencies already provided to the Emirates NBD
- Tanfeeth aims to provide a cost efficiency to Emirates NBD @ 8%, 15% and 20% for 2012, 2013 and 2014 of staff cost base taken over
- Total investments in excess of AED 100 million targeted over a 2 year period

- The **UAE economy** has **proved relatively resilient** to global and regional developments in 2011, with estimated GDP growth of 4.6% for the year on the back of higher oil production and improving trends in non-oil trade and tourism
- For 2012 the **external environment remains challenging** in the context of weaker expected global growth resulting from recessionary risks in the Eurozone, downgrades to US growth and an expected slowdown in Asia
- Nevertheless, the **UAE remains well-positioned** to enjoy modest GDP growth of 2.5% in 2012 underpinned by supportive fiscal policy
- **Despite a more cautious and uncertain outlook, Emirates NBD is resilient and well placed** to take advantage of growth opportunities in selected areas
  - Capitalisation and liquidity continue to be extremely strong, offering resilience and flexibility for the future
  - Significantly de-risked and strengthened balance sheet offers strong platform for capturing future growth opportunities
  - The Bank has a clear strategy in place and is focused on relentless execution

# Summary

- ▶ **Robust operating performance** with stable y-o-y trend in pre-impairment operating profit at AED 1.5 billion
- ▶ **Top-line trends for Q4 2011 encouraging** with 19% y-o-y growth in net interest income and growth in core fee income of 22% y-o-y and 2% q-o-q
- ▶ Continuation of balance sheet **de-risking** and **conservatism on provisioning** resulted in **impairment allowances** of AED 1.1 billion for Q4 2011 and additional AED 250 million **write-down of UP investment**
- ▶ **Dubai Bank acquisition completed** without any impact on NPLs or P&L on date of acquisition
- ▶ **Capitalisation and liquidity** continue to be **extremely strong**, offering resilience and flexibility for the future
- ▶ The **outlook remains challenging** but Emirates NBD has a **clear strategy** in place to take advantage of of selected growth opportunities
