Emirates NBD Properties showcased its award winning real estate portfolio at Cityscape Global 2014, the world's largest networking exhibition and conference on property development.

Emirates NBD Properties, a wholly owned subsidiary of Emirates NBD Group, showcased its award winning real estate portfolio at Cityscape Global 2014, the world's largest networking exhibition and conference on property development.

Projects by Emirates NBD Properties featured at this year's edition of Cityscape Global included Limestone House in Dubai International Financial Centre; in addition to Terrace Apartments, Windsor Crescent Townhouses and Control Tower – all three projects located in Motor City.

Limestone House, located adjacent to the Gate Precinct-Gate Boulevard District of DIFC offers its residents exceptional living space and amenities in a truly magnificent structure. Situated in Motor City, Windsor Crescent Townhouses and Terrace Apartments offer residents a unique blend of privacy and community living. The stunning residential projects are designed to emulate nature's finest features to cultivate a healthy and nurturing environment, in an enviable location of beautifully landscaped parks, tranquil lakes and family-friendly facilities.

In addition, Emirates NBD Properties also featured its Control Tower, a commercial and business center strategically located in Business Park, near Green Community Motor City and Dubai Autodrome.

Commenting on the participation, Ali Al Kaitoob, CEO, Emirates NBD Properties stated, "We are very pleased to have participated at Cityscape once again to showcase Emirates NBD Properties' portfolio. This year's participation was the most successful till date for Emirates NBD Properties, it has been noted that the show attracted almost 280 exhibitors from 28 countries. Investors' positive response towards our premium property portfolio is proof that Dubai remains one of the strongest real estate markets in the world."

During its participation at the event, mortgage experts from the bank were also available onsite to attend to visitor enquiries.
