## UNAUDITED PRO FORMA INTERIM INCOME STATEMENT OF EMIRATES NBD PJSC

Set out below is an unaudited pro forma consolidated income statement for the six month period ended 30 June 2008 (“pro forma interim income statement”) for Emirates NBD PJSC (“Emirates NBD”) prepared in accordance with the notes below to illustrate the impact of the acquisition by Emirates NBD of the share capital of Emirates Bank International PJSC (“EBI”) and The National Bank of Dubai PJSC (“NBD”) pursuant to the offer set out in the offer document dated 30 July 2007 (“the Merger”).

The pro forma income statement is based on the consolidated income statement of EBI as extracted from the unaudited consolidated interim financial statements of EBI for the six month period ended 30 June 2007, and the consolidated income statement of NBD as extracted from the unaudited consolidated interim financial statements of NBD for the six month period ended 30 June 2007.

Under *IFRS 3 – Business Combinations*, Emirates NBD has accounted for the Merger as an acquisition of NBD and is required to fair value the assets (including intangible assets), liabilities and contingent liabilities acquired at the date of acquisition and to reflect the excess of the consideration paid and expenses of the Merger over the fair values as goodwill. Accordingly, any adjustments arising from the acquisition required by IFRS 3 are reflected in the pro forma interim income statement.

For the purposes of presentation, the pro forma interim income statement has been prepared as if the combination occurred on 1 January 2007.

The pro forma interim income statement has been prepared for illustrative purposes only and because of its nature, does not represent what the results of operations would actually have been if the Merger had occurred on the date indicated, nor does it project the results of operations for any future period. The potential synergy benefits of the Merger have not been included within the pro forma interim income statement.

This pro forma interim consolidated income statement should be read in conjunction with the statutory interim financial statements of EBI and NBD for the six month period ended 30 June 2007.
