Smart Cash Deposit Machine

Handling cash was never this easy

Seeking innovative solutions to deposit cash through a secure channel? Our self-service Smart Cash Deposit Machine (SCDM) can be installed at your business premise and accept bulk cash deposits, cheques or coins in any currency.

Supports cheques, coins and foreign currency deposits

Enjoy convenience and flexibility

Accepts bulk cash deposits

Time and cost efficient

Get instant access to your money

Deposit cash, cheque or coins in a SCDM installed at your business premise, throughout the day. SCDMs allows bulk cash deposits by accepting 200 notes at a time for single cash deposit. What's more, you get instant credit for AED cash deposits.

24/7 cash deposit availability

Instant credit on AED deposits

Manage your working capital better with clear overview of your transactions

SCDMs are dedicated machines only for your use and allow all your deposits to be tracked through a unique reference number. Get information on the type (Cash, Coin or Cheque), time and amount of transaction, along with the identifier of who made the deposit

Authorized access through registered User ID / bar coded access card

Real-time dashboard visibility

Email notification for amount credited

Account level details

Enjoy reliability with enhanced security

Smart Cash Deposit Machines help you mitigate the risks associated with handling of cash through in-built system checks and free insurance coverage, for both - cash deposited and cash in transit.

- > Detect shortage and counterfeit notes
- > No physical handling of cash
- > Reduced risk of cash theft and cash loss
