

BINGO RULES

1. You can tap the numbers you have based on what is called out during the live session, you can tap the same number again if you have highlighted a number by mistake.
2. Once you have won in a certain category you can claim a certain category by clicking on that, the claim will successfully go through if the numbers you tap are correct and if the category is not already taken.
3. We receive the claims immediately along with a time stamp hence the first one will be considered for the prize.
4. This game is restricted to UAE Residents only and if claimed by a non-UAE Resident the prize will not be given.
5. Abusive language in the comments section will not be appreciated and the player will be disqualified, blocked and reported immediately.
