

CIO OFFICE: Equity Market Update 21st May 2020

Developed Markets

- ✓ There was optimism Wednesday on financial markets with global stocks up c. 1%, led by the US + 1.7% (S&P 500). Investors focused on signs the American economy will continue to reopen (all 50 states have indicated so) and on continued affirmation from genomic and big pharma companies on progress on testing and vaccines.
- ✓ However, there is a concern about escalated geopolitical tension after the US Senate passed a bill that could bar some Chinese companies from listing on American exchanges. The Senate passed the Holding Foreign Companies Accountable Act, which will require foreign companies listed on U.S. exchanges to certify they are not owned or controlled by a foreign government.
- ✓ Gains were broad, with energy, financials and cyclical sectors leading. The S&P 500 is up more than 30% since its March low. Energy sector followed the extended rally in crude, up 5%. The Philadelphia Semiconductor Index (SOX) rose 3.7% on Wednesday. Nvidia, the heaviest weighted stock in the SOXX, is closing in on a 5-day win streak and another record high ahead of its earnings on Thursday.
- ✓ For the first time since 1986, the U.S. Treasury issued 20yr bonds in part to help finance COVID-19 related expenditures.
- ✓ The Stoxx 600 index was up +1%. The euro posted its fourth straight advance versus the dollar as expectations built for the approval of a region-wide stimulus plan.

Emerging Markets

- ✓ In Asia, Indian benchmarks rose, while Shanghai and Hong Kong closed in the red. The Shanghai Shenzhen CSI 300 index was down -0.5%.

GCC

- ✓ Focus today on MSCI EM re-balance for the KSA on the last day of trade before the week-long Eid holiday. While UAE and Kuwait will re-balance next Thursday. Expecting USD1bn of passive inflows in Saudi.
- ✓ **ALDAR** reported 1Q20 numbers with revenues coming in at AED 1.8bn flat y/y. Net income was AED 300m, 46% down y/y. Property development revenues were AED 683mn, flat y/y with recurring revenue, down 6% y/y. However, management mentioned that Jan and Feb were solid; however, weakness was seen in the month of March due to COVID-19.
- ✓ DFM UH reported Q1 Net income AED 34.7 mn; +23% y/y.
- ✓ First Abu Dhabi Bank puts plans to acquire Bank Audi's Egyptian business on hold.

Company News

- ✓ **Spotify** signed a deal with comedian and TV host Joe Rogan, gaining exclusive rights to one of the most popular and influential audio programs in the U.S. and sending its stock up more than 11% on Wednesday.
- ✓ **Microsoft** unveiled a cloud software package designed for health care systems, starting with a free trial to help the industry weather a viral pandemic that is both increasing the need for technology solutions and putting hospitals in financial peril.

Confidentiality

This publication is provided to you upon request on a confidential basis for informational purposes only and is not intended for trading purposes or to be passed on or disclosed to any other person and/or to any jurisdiction that would render the distribution illegal. The investor may not offer any part of this publication for sale or distribute it over any medium including but not limited to over-the-air television or radio broadcast, a computer network or hyperlink framing on the internet without the prior written consent of Emirates NBD or construct a database of any kind.

Solicitation

None of the content in this publication constitutes a solicitation, offer, opinion, or recommendation by Emirates NBD to buy or sell any security, or to provide legal, tax, accounting, or investment advice or services regarding the profitability or suitability of any security or investment and further does not provide any fiduciary or financial advice.

Third party

The security or investment described in this publication may not be eligible for sale or subscription to certain categories of investors. This publication is not intended for use by, or distribution to, any person or entity in any jurisdiction or country where such use or distribution would be contrary to law or regulation. It is the responsibility of any person in possession of this publication to investigate and observe all applicable laws and regulations of the relevant jurisdiction. This publication may not be conveyed to or used by a third party without the express consent of Emirates NBD. The investor may not use the data in this publication in any way to improve the quality of any data sold or contributed to by the investor to any third party.

Liability

Anything to the contrary herein set forth notwithstanding, Emirates NBD, its suppliers, agents, directors, officers, employees, representatives, successors, assigns, affiliates or subsidiaries shall not, directly or indirectly, be liable, in any way, to you or any other person for any: (a) inaccuracies or errors in or omissions from the this publication including, but not limited to, quotes and financial data; or (b) loss or damage arising from the use of this publication, including, but not limited to any investment decision occasioned thereby. Under no circumstances, including but not limited to negligence, shall Emirates NBD, its suppliers, agents, directors, officers, employees, representatives, successors, assigns, affiliates or subsidiaries be liable to you for direct, indirect, incidental, consequential, special, punitive, or exemplary damages even if Emirates NBD has been advised specifically of the possibility of such damages, arising from the use of this publication, including but not limited to, loss of revenue, opportunity, or anticipated profits or lost business.

This publication does not provide individually tailored investment advice and is prepared without regard to the individual financial circumstances and objectives of person who receive it. The appropriateness of an investment activity or strategy will depend on the person's individual circumstances and objectives and these activities may not be suitable for all persons. In addition, before entering into any transaction, the risks should be fully understood and a determination made as to whether a transaction is appropriate given the person's investment objectives, financial and operational resources, experiences and other relevant circumstances. The obligations relating to a particular transaction (and contractual relationship) including, without limitation, the nature and extent of their exposure to risk should be known as well as any regulatory requirements and restrictions applicable thereto.

Forward looking

Past performance is not necessarily a guide to future performance and should not be seen as an indication of future performance of any investment activity. The information contained in this publication does not purport to contain all matters relevant to any particular investment or financial instrument and all statements as to future matters are not guaranteed to be accurate. Certain matters in this publication about the future performance of Emirates NBD or members of its group (the Group), including without limitation, future revenues, earnings, strategies, prospects and all other statements that are not purely historical, constitute "forward-looking statements". Such forward-looking statements are based on current expectations or beliefs, as well as assumptions about future events, made from information currently available. Forward-looking statements often use words such as "anticipate", "target", "expect", "estimate", "intend", "plan", "goal", "seek", "believe", "will", "may", "should", "would", "could" or other words of similar meaning. Undue reliance should not be placed on any such statements in making an investment decision, as forward-looking statements, by their nature, are subject to known and unknown risks and uncertainties that could cause actual results, as well as the Group's plans and objectives, to differ materially from those expressed or implied in the forward-looking statements. Estimates of future performance are based on assumptions that may not be realized.
