

A middle-aged man with short, light-colored hair is seated in a grey office chair. He is wearing a dark blue suit jacket, a white dress shirt, and a grey patterned tie. He is holding a black tablet computer with both hands and looking at the screen with a slight smile. The background is a bright, out-of-focus office space with large windows.

**View your
Investment Portfolio**

Your guide to viewing your
Investment Portfolio on our
Mobile platforms

Now, view all your investment portfolio, asset classes and securities along with your transaction details with a swipe of a finger.

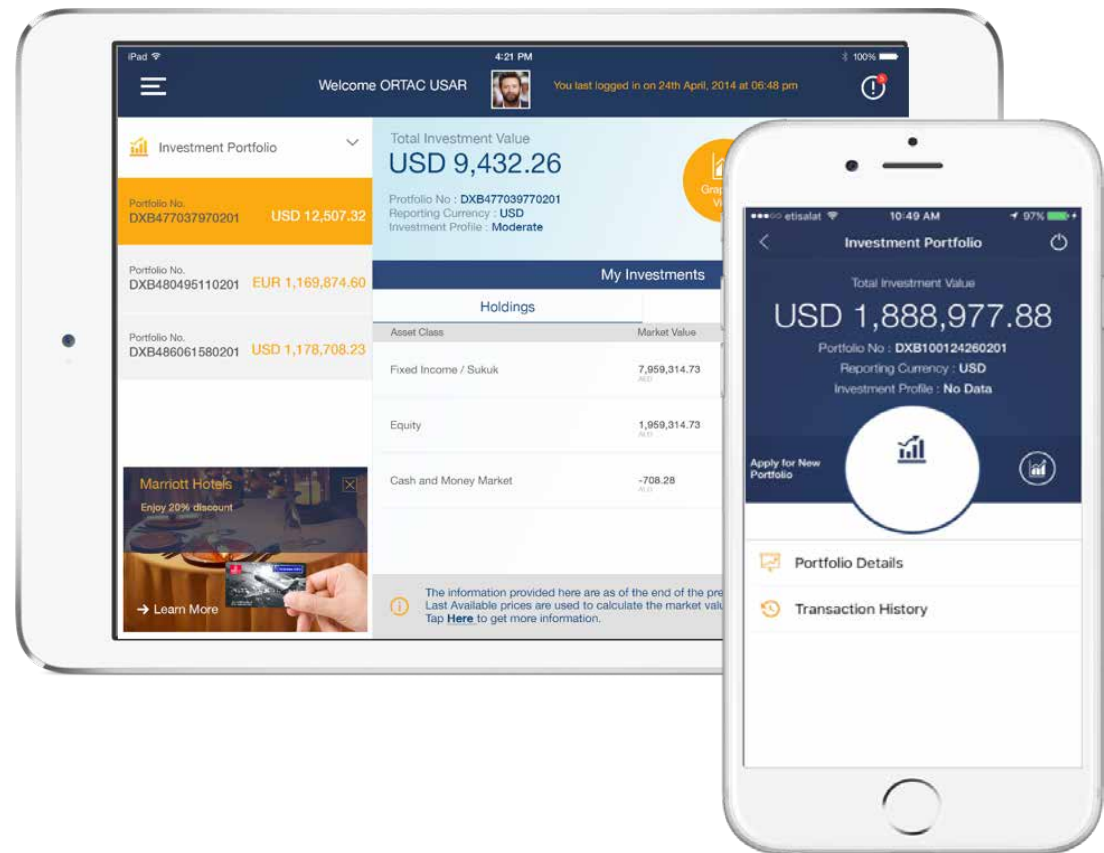

You could also add the investment portfolio **widget** via the widget configuration option.

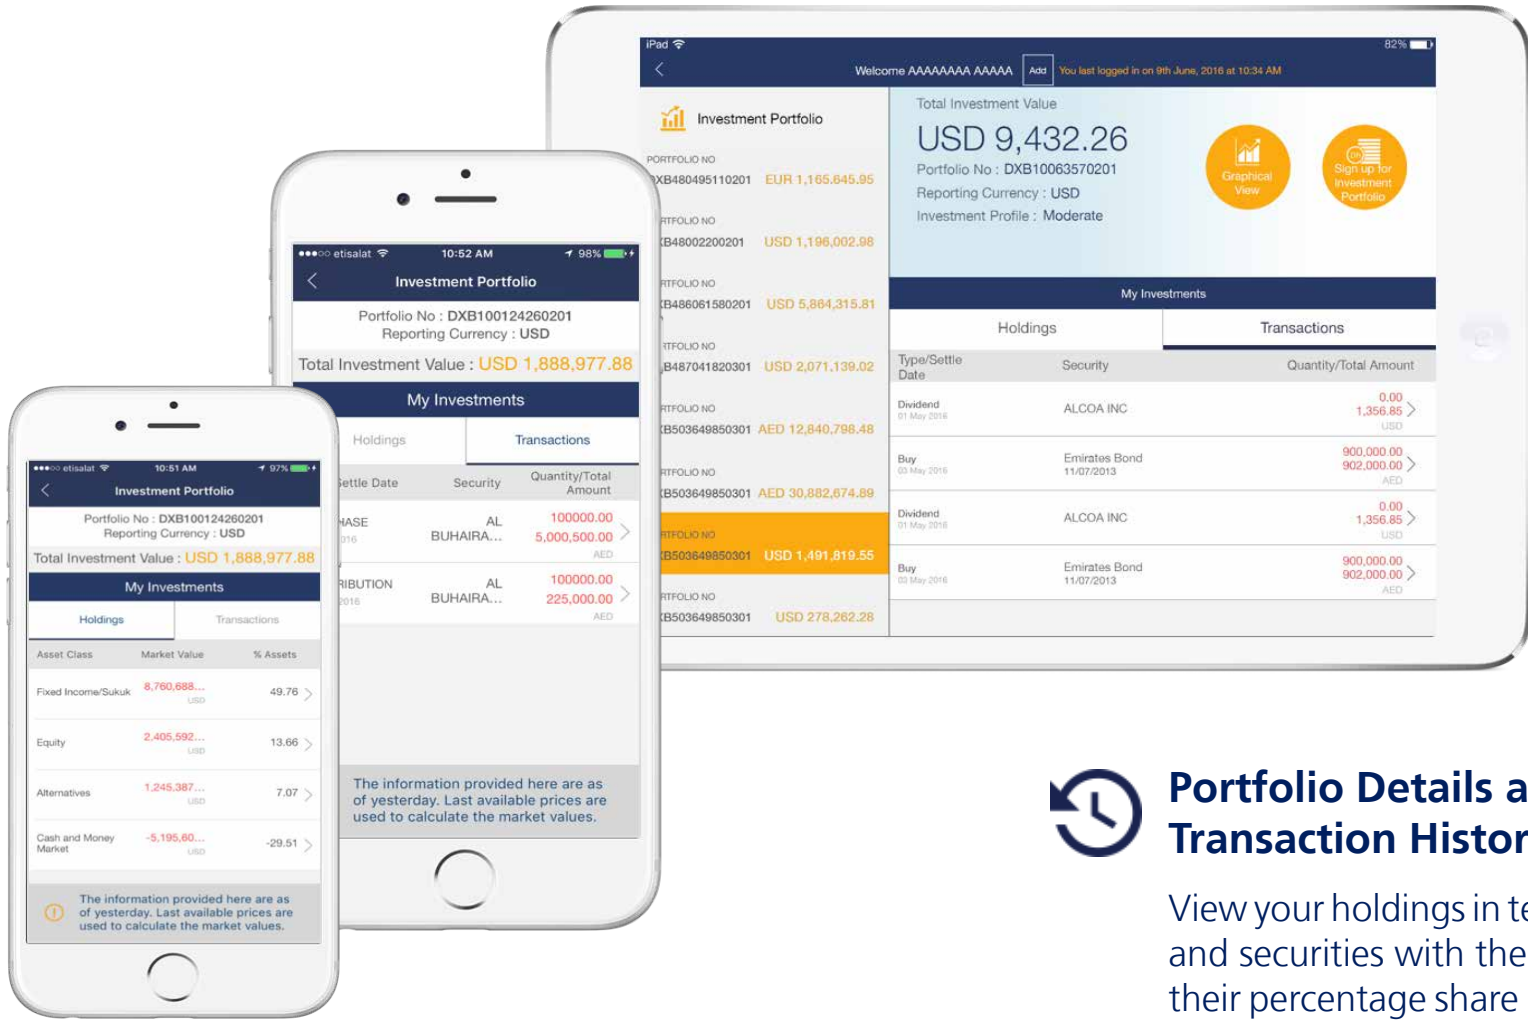

View Your Portfolios

This is the display screen for all your portfolio holdings. You may choose to view them as a list or in graphical mode.

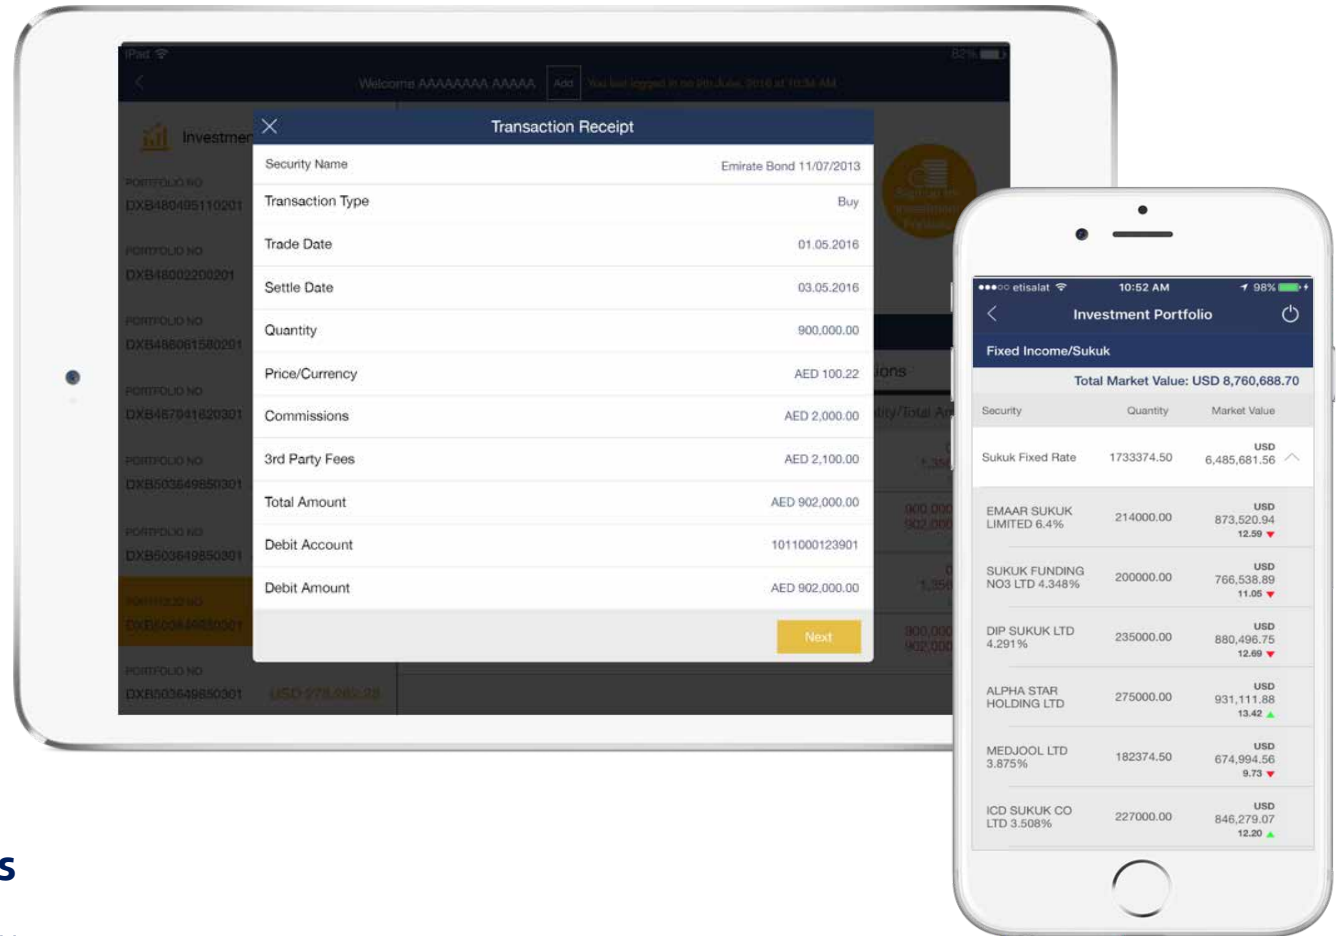

Plus, your **Portfolio Details** and **Transaction History** can be viewed under their respective tabs on the display screen.

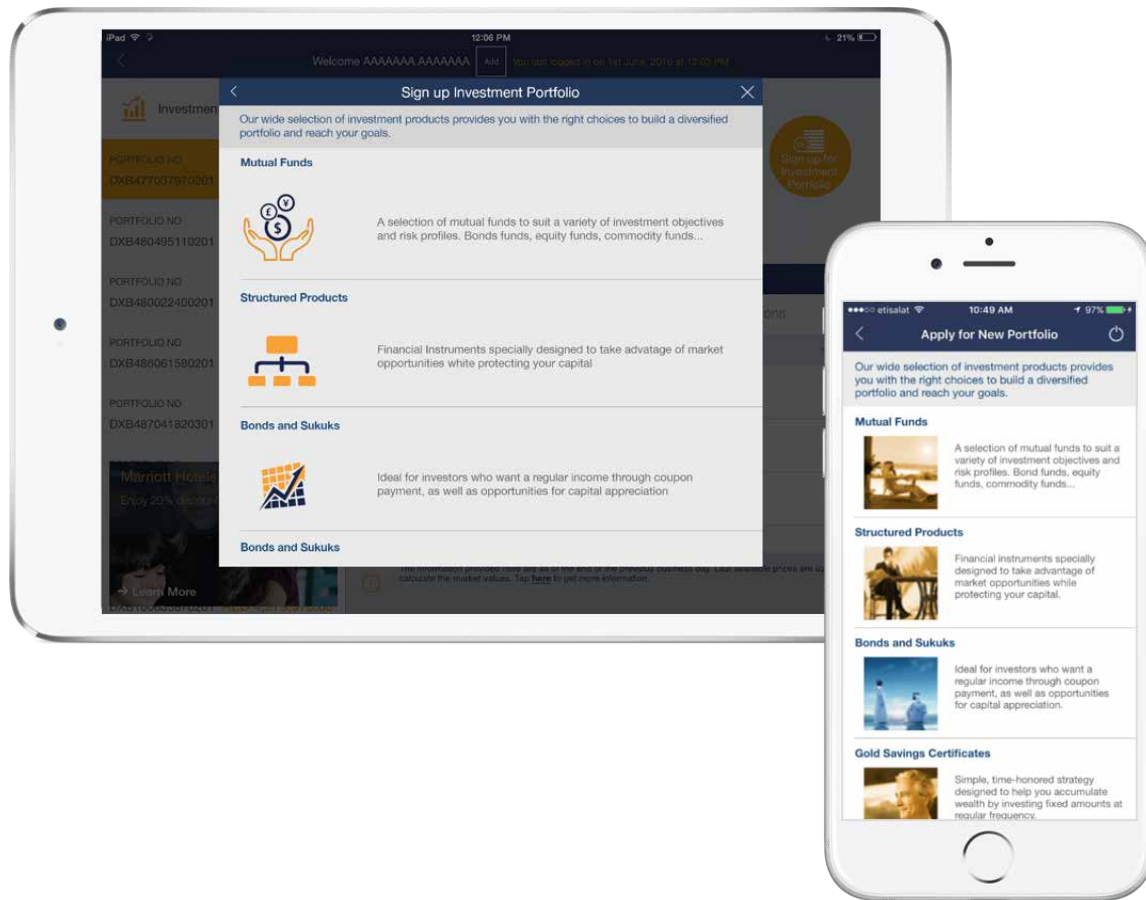

Portfolio Details and Transaction History

View your holdings in terms of asset classes and securities with their market value and their percentage share in your portfolio.

View your security details

Now you can view more Security Details by tapping on to a security under each asset class.
