With rapid advances in medical research and treatments, the chances of overcoming a serious illness are very high. Yet, the costs associated with the treatment are also on the rise.

With Critical Illness, if diagnosed with any of the nine covered illnesses, you receive financial support to cover the costs of treatment or loss of income to help you focus on your recovery.

Benefits of Critical Illness:

- **Up to AED 400,000 cash benefit**
- **Worldwide* cover**
  
  *Benefits cannot be paid in countries under international sanction
- **No medical tests required**
- **Premiums start from AED 43* per month**
  
  *Premium prices are inclusive VAT and rounded up to the nearest dirham.
- **Select one of four levels of cover**
- **Ability to cover spouse for a low additional cost**

### Covered Critical Illnesses:

1. First Heart Attack
2. Stroke
3. Cancer
4. Heart Valve Surgery
5. Brain Tumor
6. Multiple Sclerosis
7. Primary Pulmonary Hypertension
