Investment Objective

The investment purpose of the sub-fund is to provide investors with a means of participating in Shari'a compliant equities listed in or operating in emerging markets globally. The Sub-Fund will invest in Shari'a compliant emerging market equities, approved by the Shari'a Board, which seek to achieve long-term capital growth over a complete economic cycle. Under normal circumstances, the Sub-Fund will invest at least 80% of net assets in emerging market equities or related strategies.

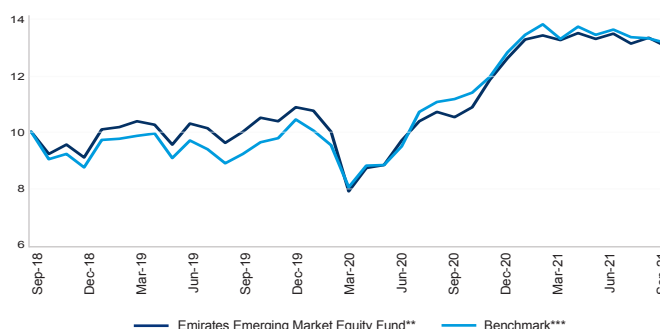

The fund considers "emerging markets" to include any country defined as an emerging or developing economy by Dow Jones, MSCI or other recognised index provider and included in the Dow Jones Islamic Emerging Market Index, MSCI Emerging Markets Islamic Index, or any other emerging market index approved by the Shari'a Board. The Sub-Fund may invest up to 20% of net assets in equities from developed and/or frontier markets which follow the criteria as set out by the Shari'a Board.
