Emirates Balanced Managed Fund
Class C USD (LU1060353932)
a Sub-Fund of Emirates NBD SICAV

This Fund is managed by Waystone Management Company (Lux) S.A.

OBJECTIVES AND INVESTMENT POLICY

Investment Objective
The sub-fund invests globally through collective investment schemes in a range of asset classes with the aim of providing long-term capital growth. It will seek to reduce the volatility traditionally associated with investments in securities markets by offering diversification and risk spreading across a broad range of asset classes.

Investment Policy
For this purpose, the sub-fund:
- holds units or shares of collective investment schemes (including exchange traded funds) and or securities of listed closed-ended funds;
- diversifies its investments across a range of asset classes with a majority of the sub-fund’s assets invested in collective investment schemes predominantly offering exposure to a range of equity and fixed income strategies as well as other asset classes. It may also take indirect exposure to other asset classes through collective investment schemes including but not limited to commodities, property and alternative strategies;
- may have up to 50% exposure to closed-ended funds including investment trusts and exchange traded funds;
- will not directly hold any assets with unlimited liability;
- invests up to 60% of its assets in global equity, up to 100% of its assets in fixed income and cash and up to 40% of its assets in alternative strategies, mainly through collective investment schemes.

The sub-fund may use hedging techniques to protect the USD value.

The sub-fund will not invest in any underlying fund with an annual management fee in excess of 2%.

Benchmark
The Sub-Fund is managed actively without reference to any benchmark.

Investment Horizon
Recommendation: This sub-fund is not suitable for investors who plan to withdraw their money within 3 to 5 years.

Income
Income generated will be reinvested.

Fund Currency
The reference currency of the sub-fund is USD.

Subscription and Redemption
Investors may subscribe, convert and redeem shares on demand on a daily basis, being a valuation day, as further determined in the prospectus of the fund.

RISK AND REWARD PROFILE

Lower risk  Higher risk
Potentially lower reward  Potentially higher reward

Why is this Sub-Fund in this category?
The sub-fund is subject to a medium level of risk as it is exposed to market factors such as global macro-economic trends, currency fluctuations, interest rates fluctuations, inflation and the performance of issuers of securities. At this time the level of the risk and reward profile is equal to 4.

The risk and reward indicator does not take into consideration the following risks, which can affect the sub-fund:

Operational risk - Which may occur due to technical issues for example natural disasters, misunderstandings and fraud.

Sustainability risk - Which may occur because the Sub-fund does not promote ESG Characteristics and Sustainability Factors and does not maximize portfolio alignment with Sustainability Factors.

Full details of the risks the sub-fund is exposed to are provided in the prospectus.

Risk Disclaimer
The risk and reward indicator illustrates where the sub-fund is positioned in terms of its possible risk and reward. The higher the sub-fund's position on this scale, the greater the possible reward, but also the greater the risk of losing money. Even if the sub-fund is in the lowest risk class you can lose money as no investments are entirely risk free. The risk indicator is calculated using historical data and therefore cannot be used as a prediction for the future. The risk classification may change over time.
