Cash Advance transactions include ATM, Over-the-Counter, Returned Payment andCash Equivalent (money orders, foreign currency, travelers checks from a non-financial institution, person-to-person money transfers, betting, lottery tickets, casino gaming chips, off-track betting wagers at racetracks, gambling, bail bonds, Quasi Cash as defined by Diners Club International, VISA and MasterCard).

### Cash Advance Fee

3.15% of cash advance amount or AED 103.95 whichever is higher will be charged for each Cash Advance transaction. Maximum cash advance per transaction is 75% for Business Cards & 50% of the card limit for all other cards.

### Interest-free period

Up to 55 days for Retail Purchases together with any related fees and charges, and any interest or fees that are not related to a specific balance type. For example, this interest free period does not apply for Cash Advances, Balance Transfers, Special Promotions, and any interest or fees related to these balance types.

### Late Payment Fee

AED 241.50 per month will be charged to the Card Account if the Minimum Payment Due is not received, in full, by the Payment Due Date.

### No Liability / Liability Letter

AED 52.50 will be charged for an issuance of No Liability / Liability letter

### Foreign currency transaction fee

1.99% currency conversion fee is charged to the Card Account for all transactions incurred outside UAE. All such transactions are converted to AED at the Bank's prevailing exchange rate on the date the amount was posted to the Card Account rather than the date the Card was used. This fee is charged on all foreign currency transactions on the Credit Card. This fee is charged in addition to the standard processing fee charged by MasterCard International or Visa International and is applicable to transactions performed outside UAE (approximately 1.15%).

### Fee relating to settling Foreign currency transaction in UAE dirhams

1.99% currency conversion fee is charged for transactions where customers may sometimes be offered the option to settle a foreign currency transaction in UAE Dirhams at the point of sale overseas. Such option is a direct arrangement offered by the overseas merchants and not the bank (card issuer). In such cases, customers are reminded to ask the merchants for the foreign currency exchange rates and the percentage of handling fees to be applied before the transactions are entered into since settling foreign currency transactions in UAE Dirhams may involve a cost higher than the foreign currency transaction fee.

### Return Payment Fee

AED 105 surcharge will be levied towards handling charge on Returned Cheque / Direct Debit
